**Monday April 29th 2:00pm  
Pleasant Valley Health Centre

### **Moving the Eye Clinic to Vernon Jubilee Hospital would mean:**

- ✓ **Increased wait times**
- ✓ **Extra travel time/distance**
- ✓ **Loss of services funded by local service groups**
- ✓ **Introduction of hospital parking fees**
- ✓ **Loss of business for local establishments**

**We raised the funds to purchase equipment!  
Let's keep this service here!**

**Bring your friends and family!
